

東西の境は「境川」

木口砂玩は、玩川」

The figure displays a 10x10 grid representing a 1000x1000 matrix. The grid is divided into four quadrants, each containing a 5x5 sub-grid. The top-left and top-right quadrants are predominantly red, indicating non-zero entries. The bottom-left and bottom-right quadrants are predominantly yellow, indicating zero entries. The middle-left and middle-right quadrants are predominantly white, indicating zero entries. The blocks are arranged in a pattern that suggests a block-tridiagonal structure.
